WHAT IS THE AIKEY FOUNDATION?

This foundation was created in March of 2003 to honor Mr. Harry A. Aikey and Mrs. Ruth M. Aikey and their efforts to help people in their lives. Throughout their lives, they have assisted individuals who sought out to expand their horizons through higher education studies, especially in areas involving service to others or their community. Mrs. Aikey was an elementary education teacher in the Elyria, OH and Olmsted Falls, OH school districts throughout her life.

This foundation's non-profit purpose is to continue their legacy into the future by helping in the education of future educators through a scholarship program, which will assist in the expansion of the knowledge of individuals concerning the world around them and all that it entails through the use of financial assistance.
